SERVICES & PRICING

AGRICULTURAL SPRAYING

Row Crops	**$15 / acre**
Hay Fields	**$15 / acre**
Pasture	**$20 / acre**
Orchards & Ponds	**Contact us for pricing**
Minimum charge for spraying jobs under 20 acres	**$400**

Spraying prices are based on 2-3 gallons per acre (GPA). Higher application volumes may affect pricing.

SEED, LIME & FERTILIZER SPREADING

Starting at $20 / acre. We spread seed, pelleted lime and fertilizer. Pricing varies with the amount applied per acre.

We prefer customers to purchase chemicals in advance. Need help sourcing them? We can supply chemicals upon request.

THERMAL DEER RECOVERY

On-site search fee	**$200**
If your deer is located	**$400 total**

DRONE HERD CENSUS

Thermal drone surveys help estimate deer numbers and distribution across your property with minimal disturbance. Gain insight into herd size, buck-to-doe ratios and areas of activity.

Starting at $400 for properties up to 100 acres. Pricing increases with acreage.

AERIAL PHOTOGRAPHY & VIDEO

Photo & video package	**$200**
Editing or printing add-on	**+$100**

PRODUCTS WE SELL

Spray Drones • Thermal Drones
Lymow & Yarbo Robotic Mowers • Pure Whitetail Hunting Products
